Observe the opportunity for children to launch their very own business!

Children develop a brand, create a product or service, build a marketing strategy, and then open for customers at our one-day marketplace.

This event is sponsored by Acton Academy, and the generous support of our donors and volunteers. We all believe that principled entrepreneurs are heroes and role models for the next generation.

Whether an entrepreneur is famous like Steve Jobs or Sara Blakely or they are one of the thousands of unsung business owners across this country, these are the people who make sacrifices to innovate, create jobs and serve their communities.
